### Intro

#### Verse 1

See that star up in the sky  
See the twinkle in her eye  
The world's about to change  
The world's about to change

See that man there by her side  
Feel the worry deep inside  
Will it be okay?  
Will it be okay?

#### Chorus 1

Walking forward hand in hand  
Believing firmly in His plan  
I can hear them say "He will make a way"  
On this night their babe was born  
His'try changed forevermore  
...I can hear them say  
He has made a way

#### Verse 2

The shepherds gather round the child  
Wise men too, their minds run wild  
Could this be true?  
Could this be true?

These tiny fingers, tiny toes  
How can it be, God only knows  
The wonder of it all  
The wonder of it all

#### Chorus 2

He has the whole world in those hands  
Bridged the gap from God to man  
Emmanuel has come, a gift for everyone

On the night that Christ was born  
His'try changed forevermore  
And I can almost hear Him say "I have made a way"

#### Interlude

I have made a way  
I have made a way - The Way  
I have made a way - The Truth  
I have made a way - The Life  
I have made a way  
I have made a way

#### Chorus 2

He has the whole world in those hands  
Bridged the gap from God to man  
Emmanuel has come, a gift for everyone  
On the night that Christ was born  
His'try changed forevermore  
I can almost hear Him say "I have made a way"

#### Outro

See the stars up in the sky  
See the love that's in His eyes
