

WHAT IS CHRISTMAS

Mat Gauthier, Amy Nap, Lorraine Gauthier

Some may say the only reason
That we have a Christmas season
'Peace On earth' 'Good will to men'
But what do those words really mean
Christmas trees and Christmas presents
Guy in red suit - not to mention
Flying deer, Christmas cheer
And 'CHRISTMAS CHEER's not what you think

Sweet memories
Mama weeping as she reads beside my bed
Then she said, "Can we truly comprehend what Christmas is?"

Tell me, what is Christmas
Who can know - 'cause it's deeper than the world will ever know

Family gathered altogether, all would show despite the weather
Mama's place – a happy place, but Christmas must mean so much more
Feeling such a giving presence as they open up their presents
But I feel deeper still – there must be so much more

Those memories
Papa crying as he sadly bows his head
Then he says, "Lord I thank You Christmas came to rescue me"

Tell me, what is Christmas
Who can know - 'cause it's deeper than the world will ever know

Sweet memories
Mama weeping as she reads beside my bed
Then she said, "Can we truly comprehend what Christmas is?"

Tell me, what is Christmas
Who can know - 'Cause it's deeper than our understanding
Who can know - 'cause it's deeper than the world will ever know
